Send Electronic Notice in the following format (check one):

HTML for Netscape, ISP mail service, i.e, AOL, Hotmail, Yahoo, etc.

Text for cc:mail, Groupwise, Outlook, Outlook Express, Other (please list)

By submitting this registration form, applicant agrees to the following:

1. Federal Rule of Bankruptcy Procedure 9011 requires that every pleading, motion, and other

paper (except lists, schedules, statements or amendments thereto) filed with the Court be signed by at least one attorney of record or, if the party is not represented by an attorney, by the party. The unique password(s) issued to a participant identifies that participant to the Court each time he or she logs on to the ECF System. The use of a participant's password constitutes the signature of the participant for purposes of Fed. R. Bankr. P. 9011 on any document or pleading filed electronically using that participant's password. Therefore, a participant must protect and secure the password issued by the Court. *See* Administrative Procedures for Filing, Signing and Verifying Pleadings and Papers by Electronic Means ("Administrative Procedures"), authorized by General Order No. 2008-2, as may be amended. If you have any reason to suspect your password has been compromised, it is your duty to notify the Court immediately. The Court will thereafter immediately delete that password from the ECF System and issue a new password.

2. By this registration, applicant consents to the electronic service of pleadings and other papers as set forth in the Administrative Procedures.
3. Applicant agrees that once registered as a participant, he or she must electronically file all documents, as provided in the Administrative Procedures and Local Bankruptcy Rules for the Western District of Washington, Rule 5005-1.
4. Applicant understands that originals of all electronically filed pleadings, affidavits, and other documents that contain original signatures or require verification under Fed.R.Bankr.P. 1008, or an unsworn declaration as provided in 28 U.S.C. § 1746, must be maintained by the attorney of record or the party originating the document in accordance with Local Bankruptcy Rule 5005-1(d)(2).
5. Applicant agrees to comply with the ECF Technical Requirements attached hereto and as amended from time to time.

ECF TECHNICAL REQUIREMENTS
(Attachment to Administrative Procedures For Filing, Signing and
Verifying Pleadings and Papers by Electronic Means)
Effective July 1, 2008

1. Each participant in the Electronic Case Files System (ECF) must complete an ECF System Participant Registration Form, which requires a participant to provide the court with his/her primary e-mail address. If needed, additional e-mail addresses may be included on this form requesting that other individuals within the firm receive duplicate notifications of case activity. All ECF participants will receive a Notice of Electronic Filing of any pleadings filed in the cases in which he/she has appeared.
2. ECF participants are responsible for keeping his/her primary and alternate e-mail addresses current with the Court. Requests to update primary and alternate e-mail addresses should be sent to the ECF Help Desk at ECFHelp_Seattle@wawb.uscourts.gov or ECFHelp_Tacoma@wawb.uscourts.gov. This request should include the attorney's name, bar identification number, a designation of whether the e-mail address is a primary or alternate e-mail address, and the new e-mail address.
3. A participant shall notify the Court immediately if the participant is having difficulty with his/her Internet Service Provider (ISP) and shall provide the Court with a temporary e-mail address while he/she works with the ISP to resolve the problem. **IF THE COURT IS NOTIFIED OF THIS PROBLEM** it will hold Notice of Electronic Filing e-mails to the primary e-mail address on the account and re-send those e-mails when advised that the problem has been resolved.
4. If the Court has not been notified by the user of any delivery problems and e-mail sent to the user's primary e-mail account is returned, the Court will make one additional attempt at delivery to that primary address. If that second delivery is returned, the Notice of Electronic Filing will be deleted. The Court will then delete that primary e-mail address from the account and lock out that user until a new primary e-mail address is furnished. The Notice of Electronic Filing will not be recreated for the attorney. The attorney will have to use Electronic Notice Summary to generate missing e-mail notifications. PACER charges will accrue.
5. Whenever e-mail messages directed to any additional e-mail addresses are returned to the Court twice within the same week, the alternate e-mail addresses will be removed from the participant's account. The participant will need to contact the Court to re-establish new additional e-mail addresses for the account.
6. When an attorney relocates or moves from one firm to another, the court requires a new ECF Participant Registration Form. A new ECF account will be created for this attorney which includes his/her new firm name, address, telephone number, primary and alternate

e-mail addresses. The attorney shall provide the court with a listing of case numbers, names of debtors and the party that the attorney represents pursuant to Local Rule W.D. Wash. Bankr. 9011-1. The original account will be turned off, the e-mail address will be removed, and service of documents for cases associated to that account must be made by non-electronic means until a Withdrawal and Substitution of Counsel is filed.

7. Each participant must maintain an e-mail account with enough storage space to receive electronic notices from the Court. In general, an account with storage space of at least 100 MegaBytes is sufficient. The e-mail generated from the ECF System can be voluminous exceeding the size allocated for free e-mail accounts. If the size of a participant's e-mail account is not sufficient, e-mail notification of documents being served will fail. These failed e-mails are returned to the Court and **will be deleted from the system**. In order to determine what e-mails have been deleted, the participant will need to generate a listing of activity in their cases on a per day basis using Utilities/Electronic Notice Summary.
8. ECF System generated e-mail is sent by ecfwebmaster@wawb.uscourts.gov. **Do not reply to this e-mail address**. Instead, participants who have questions about an e-mail should contact the Seattle ECF Help Desk at ECFHelp_Seattle@wawb.uscourts.gov or the Tacoma ECF Help Desk at ECFHelp_Tacoma@wawb.uscourts.gov.
9. Due to the volume of e-mail messages from the ECF System, an ISP may view the e-mail as spam. To avoid ISP blocking of ECF messages as spam, the ISP account should permit all e-mails from ecfwebmaster@wawb.uscourts.gov, and IP addresses 208.27.203.128 and 208.27.111.128.
