

My practice emphasizes creditor representation in commercial loan workouts and bankruptcy situations. An aspect of my practice includes commercial foreclosures, actions on notes and guaranties, and pursuing deficiencies upon foreclosure. The bankruptcy aspect of my practice concerns relief from stay, cash collateral issues, and confirmation issues representing creditors in bankruptcy proceedings.

I am also a Chapter 7 Panel Trustee for the Western District of Washington at Tacoma. My trustee practice concerns conducting 341 meetings and pursuing assets, which may range from vehicles to ownership interests in commercial business entities.

The balance of my practice generally concerns general business, including real estate transactions and leases.
