

Below is the Order of the Court.

Marc Barreca
U.S. Bankruptcy Judge

(Dated as of Entered on Docket date above)

**UNITED STATES BANKRUPTCY COURT
WESTERN DISTRICT OF WASHINGTON**

In re:

TEMPORARY CLARIFICATION OF LOCAL
BANKRUPTCY RULE 9045-2

General Order No. 2020-4

This General Order is issued in response to the outbreak of Coronavirus Disease 2019 (COVID-19) in Washington State, in conjunction with the District Court's General Order 02-20, this Court's General Order 2020-3, and local and national guidance.

Local Bankruptcy Rule 9045-2, governing the mediation procedures for the Court's Thomas T. Glover Mediation Program, requires "personal" attendance at mediation conferences. However, the current COVID-19 outbreak, with social distancing and shelter at home orders, prevents physical attendance at mediation conferences.

Now, therefore, it is hereby **ORDERED** that until further order of the Court, a telephonic or video conference will satisfy the requirement of personal attendance under Local Bankruptcy Rule 9045-2 for mediation conferences conducted through the Court's Thomas T. Glover Mediation Program.
