**AMENDED**  
GENERAL ORDER NO. 6  
(Redaction in Electronically  
Filed Transcripts)

7 WHEREAS the Judicial Conference's privacy policy for public access to electronic case  
8 files contains procedures for redacting personal information from court filings that are  
9 electronically available to the public; and

10 WHEREAS all courtroom proceedings in Seattle, Tacoma and Vancouver are captured  
11 on digital audio and available to the public in electronic format;

12 NOW THEREFORE, it is ORDERED that the following procedures regarding redaction  
13 in electronically filed transcripts are adopted:

14 1. Each party's attorney<sup>1</sup> is required to review a transcript for information that  
15 should be redacted under the Judicial Conference's privacy policy: Social Security numbers  
16 should be redacted to show only the last four digits; birth dates should contain only the year of  
17 birth; individuals known to be minors should be referred to with initials; and financial account  
18 numbers should be redacted to the last four digits.

19 2. Within five business days of a court reporter's delivery of the transcript to the

<sup>1</sup> In the case of an unrepresented party, the party should perform the tasks assigned to the attorneys by this General Order.

1 statements made by the party, and the testimony of any witness called by the party. If no  
2 notice is filed during this five-day period, the court may assume that redaction of personal  
3 data is not necessary.

4 3. Once an attorney has filed a notice of intent to request redaction, he or she has  
5 21 days to review the transcript and submit to the court reporter or transcriber a list of the  
6 places in the transcript where the personal data to be redacted appears. The court may order  
7 this time extended, for good cause shown. The court reporter or transcriber must redact the  
8 identifiers, as directed by the party, and then re-file the redacted transcript. Also during this  
9 time period, an attorney could, by motion, request that additional information be redacted. No  
10 remote electronic public access to the transcript will be allowed until the court has ruled on  
11 any such motion.  
12

13 4. Transcripts are not available to the public online until 90 days after they are  
14 docketed. During that time, members of the public may view transcripts at the clerk's office,  
15 or may purchase a copy from the court reporter or transcriber.
